January 2007 President's Report

Our next monthly meeting will be on Tues. January 16, 2006, at **The Comfort Inn, 425 E. Rt. 59, Nanuet.** **This is a NYSDOS approved in-service.** This class will start at 11:00 AM, lunch at 12:00 PM

***Reminder this is the day after Martin Luther King Day so some members treat this day as a Monday – set your schedule now! This luncheon price will be \$18.00 per person.*

Luncheon Venue: This month we are trying a new site; the room at La Terraza was not conducive to PowerPoint or slide presentations. We are not locked in anywhere so if you have possible venues please let us know. (We would be looking for a central location with parking).

Annual Dues: Still collecting 2007 dues, if you need an application please email a request. If there are new personnel in your office that are potential members please ask them to join our group this also applies to people outside your office that can benefit from our group

Chapter Golf Shirts: We have been asked by some of our members if we would make a logo golf shirt available. Before we move forward please send an email if you would be interested in getting one. Once we get an idea of how many people are interested we can get pricing information.

Support Packages for the 37th Engineer's Battalion in Afghanistan: Our packages have now surpassed the **1,000-pound** mark.

Spring 2007 ICC Seminar: Our chapter is sponsoring its second two day ICC seminar, 12 credit hours approved by NYSDOS, date: May 3-4, 2007, (application attached below).

NYDOS Classes in Rockland county: State class schedule to July is now posted. Go to:
<http://www.dos.state.ny.us/code/ls-codes.html> (you must register through the state for these classes)

19NYCRR Part 1203 –Effective Jan. 2007

Has your jurisdiction made the switch? Sample
